

KRAFT LINERBOARD & RECYCLED MEDIUM TO CORRUGATED PACKAGING

Interstate Resources, Inc., headquartered in Arlington, Virginia, is a privately-owned manufacturing group with 18 manufacturing plants in 14 locations across 9 states in the Eastern US. We produce high-quality kraft linerboard, recycled corrugating medium, single face, corrugated sheets and wraps, folding carton, large-format lithographic labels, poly extrusion and aqueous coated paper and paperboard products and corrugated packaging, including retail ready and shelf ready packaging, merchandising displays, point-of-purchase packaging, document storage boxes, and shipping and transport boxes. We offer direct printing.

Our Greencoat® wax-free boxes offer a sustainable packaging solution to poultry, meat, seafood, fresh produce, floral and other industries. From Lowell, Massachusetts to Riceboro, Georgia, the plants foster a family spirit and commitment to the communities in which they operate.
